

Family Supervision Expectations

At Beach Saint-Germain F.C., player safety is a shared responsibility between the club and families.

- Players must be supervised by a parent or designated adult before and after all training sessions and matches.
- Coaches are responsible for players only during the scheduled session time.
- Families should ensure timely drop-off and pick-up. Players should not be left unattended at any time.
- Parents/guardians must remain reachable during all activities in case of emergency.
- Younger players should not leave the field area unless accompanied by an approved adult.

Our goal is simple:
every child arrives safely, participates fully, and leaves safely.
